

*Sue Hosack, Photographer, Fiber Artist*  
*s\_hosack@sbcglobal.net*

*I have been a photographer since 1987. Working mainly in film, I have enjoyed capturing the world through my lens. I am enamored with nature, architecture and wildlife. Spring is my favorite season for photography.*

*Spring on Silva Lane*

*I have been working with fiber since I was able to use scissors and a sewing machine. I have been having fun creating various forms of fiber art from table and kitchen accessories, wall art, quilts and wearable art.*
