“In creating paintings in watercolor, I strive to capture the impression of sunlight shining through the petals of a flower, bouncing off the coat of an animal, filtering through the leaves of a tree, and touching the face of a child at play. If one feels that sunlight, my story is told.

JoAnn, native Texan, Spring Branch resident, wife of 40 years to Ed Beissner, and mother of three, is a displaying member of River Art Group of San Antonio, the New Braunfels Art Gallery and Canyon Lake Art Guild.

JoAnn attended Texas State University and graduated from Scott & White Nursing School. She enjoyed a career as a Registered Nurse.

Recently, JoAnn seized the opportunity to pursue her lifelong love of art. Since childhood, JoAnn has enjoyed sketching and went on to develop her skills in photography.

Presently, watercolor conveys Jo Ann’s artistic passion. Watercolor’s unpredictability challenges, intrigues, and inspires her. JoAnn has had the opportunity to participate in art workshops and classes from Cloudcroft, New Mexico to Citta della Pieve, Italy.

She was voted Artist of the Month by New Braunfels Art League and received the Sponsor's Award in the Texas Show at New Braunfels Art Gallery. Her work has been featured in the Special Show Advertisements for New Braunfels Art Gallery, River Art Group and Bulverde Area Art Center.
